BATHROOM DESIGN ABILITIES

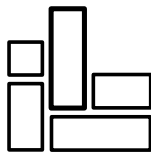

# COMFORT & EASINESS

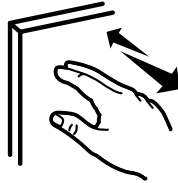

## More space in the cabinets

to treasure all of your  
cosmetics and toiletries

## Various assembly features

easiness of combining furniture,  
ceramics and accessories  
to conform varied needs to  
any bathroom style

## Push-to-open mechanism

practical approach to open  
furniture by simple pushing

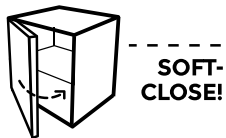

## Well thought and clever furniture

to keep your cosmetics  
and toiletries in perfect  
arrangement

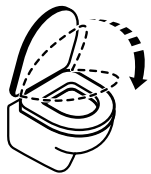

## Easy installation and assembly

well thought solutions  
to provide fast assembly  
and arrange your  
bathroom effortlessly

## Soft-close mechanism

to smooth the doors  
movement and provide  
comfortable and quiet apply

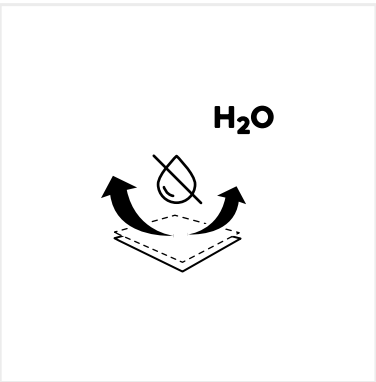

## Soft-close toilet seat

to provide comfort  
and convenience

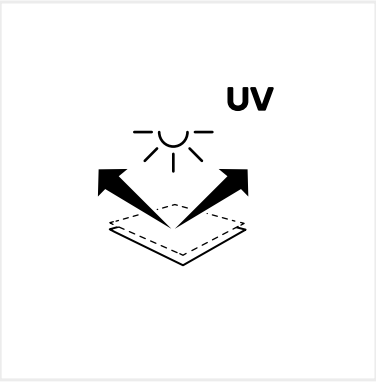

# DURABILITY & SAFETY

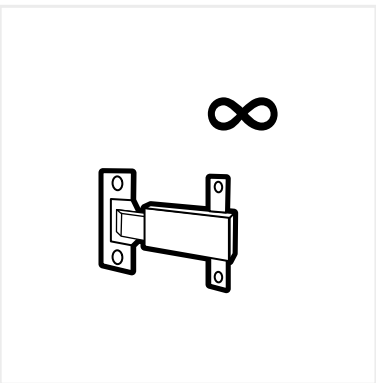

## Moisture-proof board

to protect your furniture against moisture and mould

## Varnished furniture fronts and bodies

that provides UV resistance

## Lifetime warranty for furniture hinges and fixtures

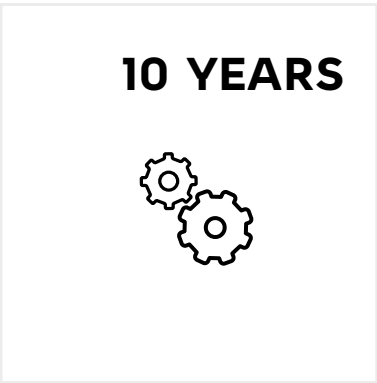

as a proof of reliability and superior quality

## 7 years warranty on ceramics

## 2 years warranty on furniture

## 10 years warranty on spare parts availability

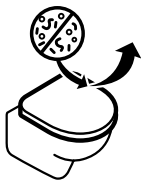

# HYGIENE UNDER CONTROL

### Rimfree®

wall hung pan  
without an inner rim,  
is a special solution  
that meets extraordinary  
demands for hygiene

### Antibacterial toilet seat

due to silver molecules,  
it keeps the surface  
bacteria-free and therefore  
it is much more hygienic

### Click2Clean

toilet seat easy to remove, to  
provide quick and effortless  
cleaning of the toilet

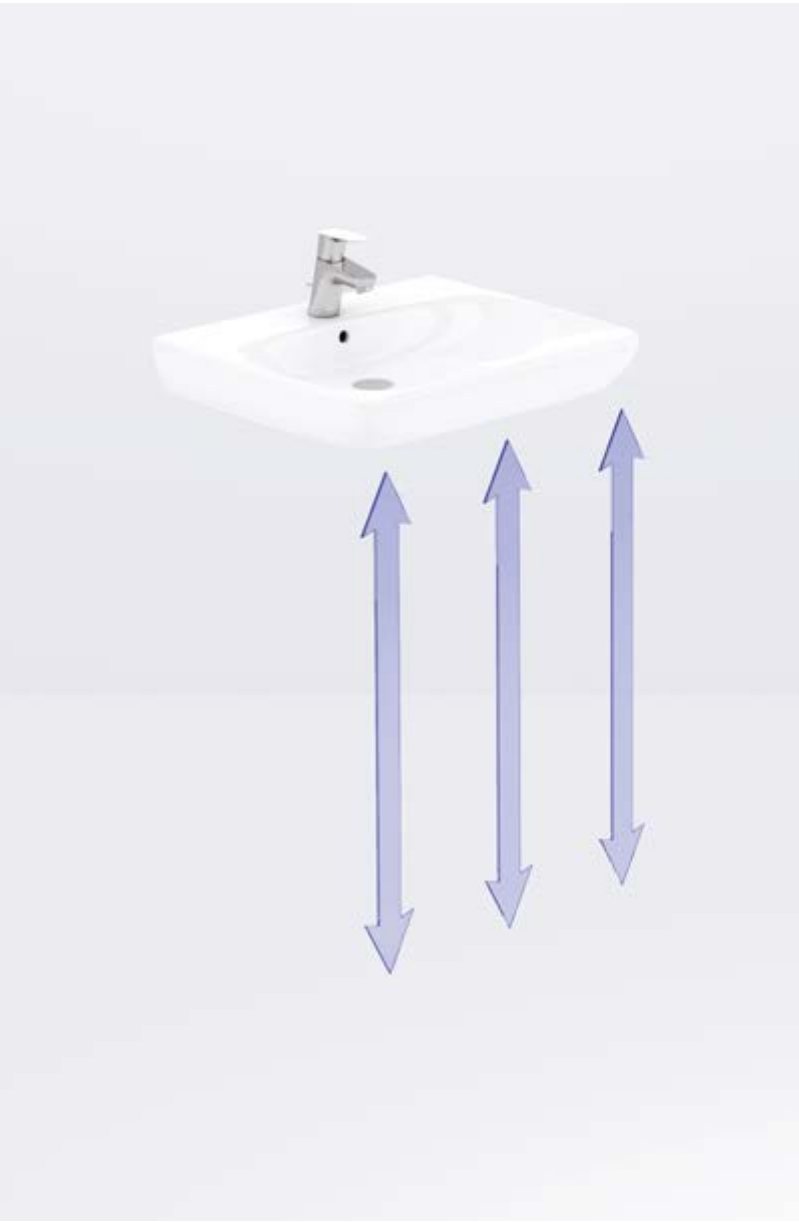

Available in the second  
half of 2014 year.

### Compact and simple shapes

to simplify cleaning and  
prevent dirt and bacteria  
accumulation

# NO BARRIERS

### More space

intelligently designed shape of the washbasin gives more space for people on wheelchair knees.

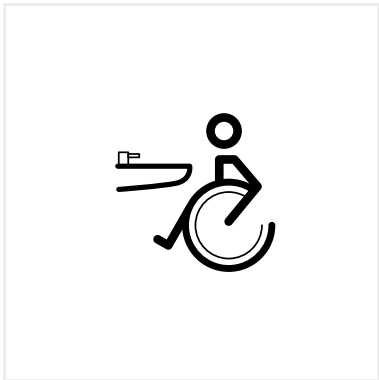

### Ergonomic shape

that strongly facilitates the use of washbasin by people on wheelchair

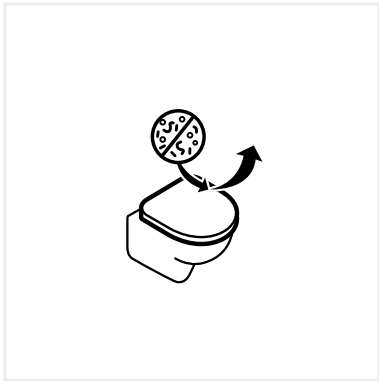

### Lengthened wall hung pan

in accordance to Polish regulations the length of the wall hung pan (70 cm) makes it easier to move from the wheelchair

Well thought solutions for people on wheelchair

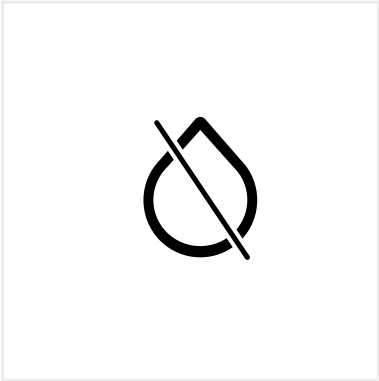

### Antibacterial toilet seat

due to silver molecules, it keeps the surface 99,8% bacteria-free and therefore it is much more hygienic

### Solid and durable toilet overlay

metal hinges increase stability and prevent undesirable movement of the overlay and its slipping down from the toilet.

# ECOLOGY AND THE ECONOMY THROUGH INNOVATIONS

## Waterless urinal

this innovative, completely waterless system sets the new trends of water saving

## Economical, 0,5 l flushing

applied in PICO urinal, reduces the water use significantly

## Economical, 4/2 l flushing

applied in wall hung pans is the most efficient and cost-effective solutions offered on the market

# UNIQUE ATTITUDE TO FURNITURE

## Ready-to-use solutions

fast & easy mounting  
of the washplace  
and toilet's equipment,  
no need for tiling

## Perfect for rental apartments

fast and easy way  
to finish or renovate  
your bathroom

## Easy assembly and disassembly

as well as quick  
serviceability

## The idea for space arrangement

functional arrangement  
above the pre-wall  
and washbasin

## Consistent and timeless design

furniture with universal  
shapes and colours,  
matching the ceramics  
perfectly

## Comprehensive portfolio

solutions for various needs

## Modular design

various options  
to combine side cabinets

# UNIQUE ATTITUDE TO FURNITURE

## Practical bathroom storages

extra space under the mirror cabinet to put aside the odds and sods – due to specially designed drop down drawer

## Cabinets with sockets

that allows you to connect a shaver, dryer or epilator

## Wall panel

easy to mount, no need for tiles application

## Handy hanger

made of stainless steel, to be mounted under the mirror cabinet or aside the washbasin cabinet.

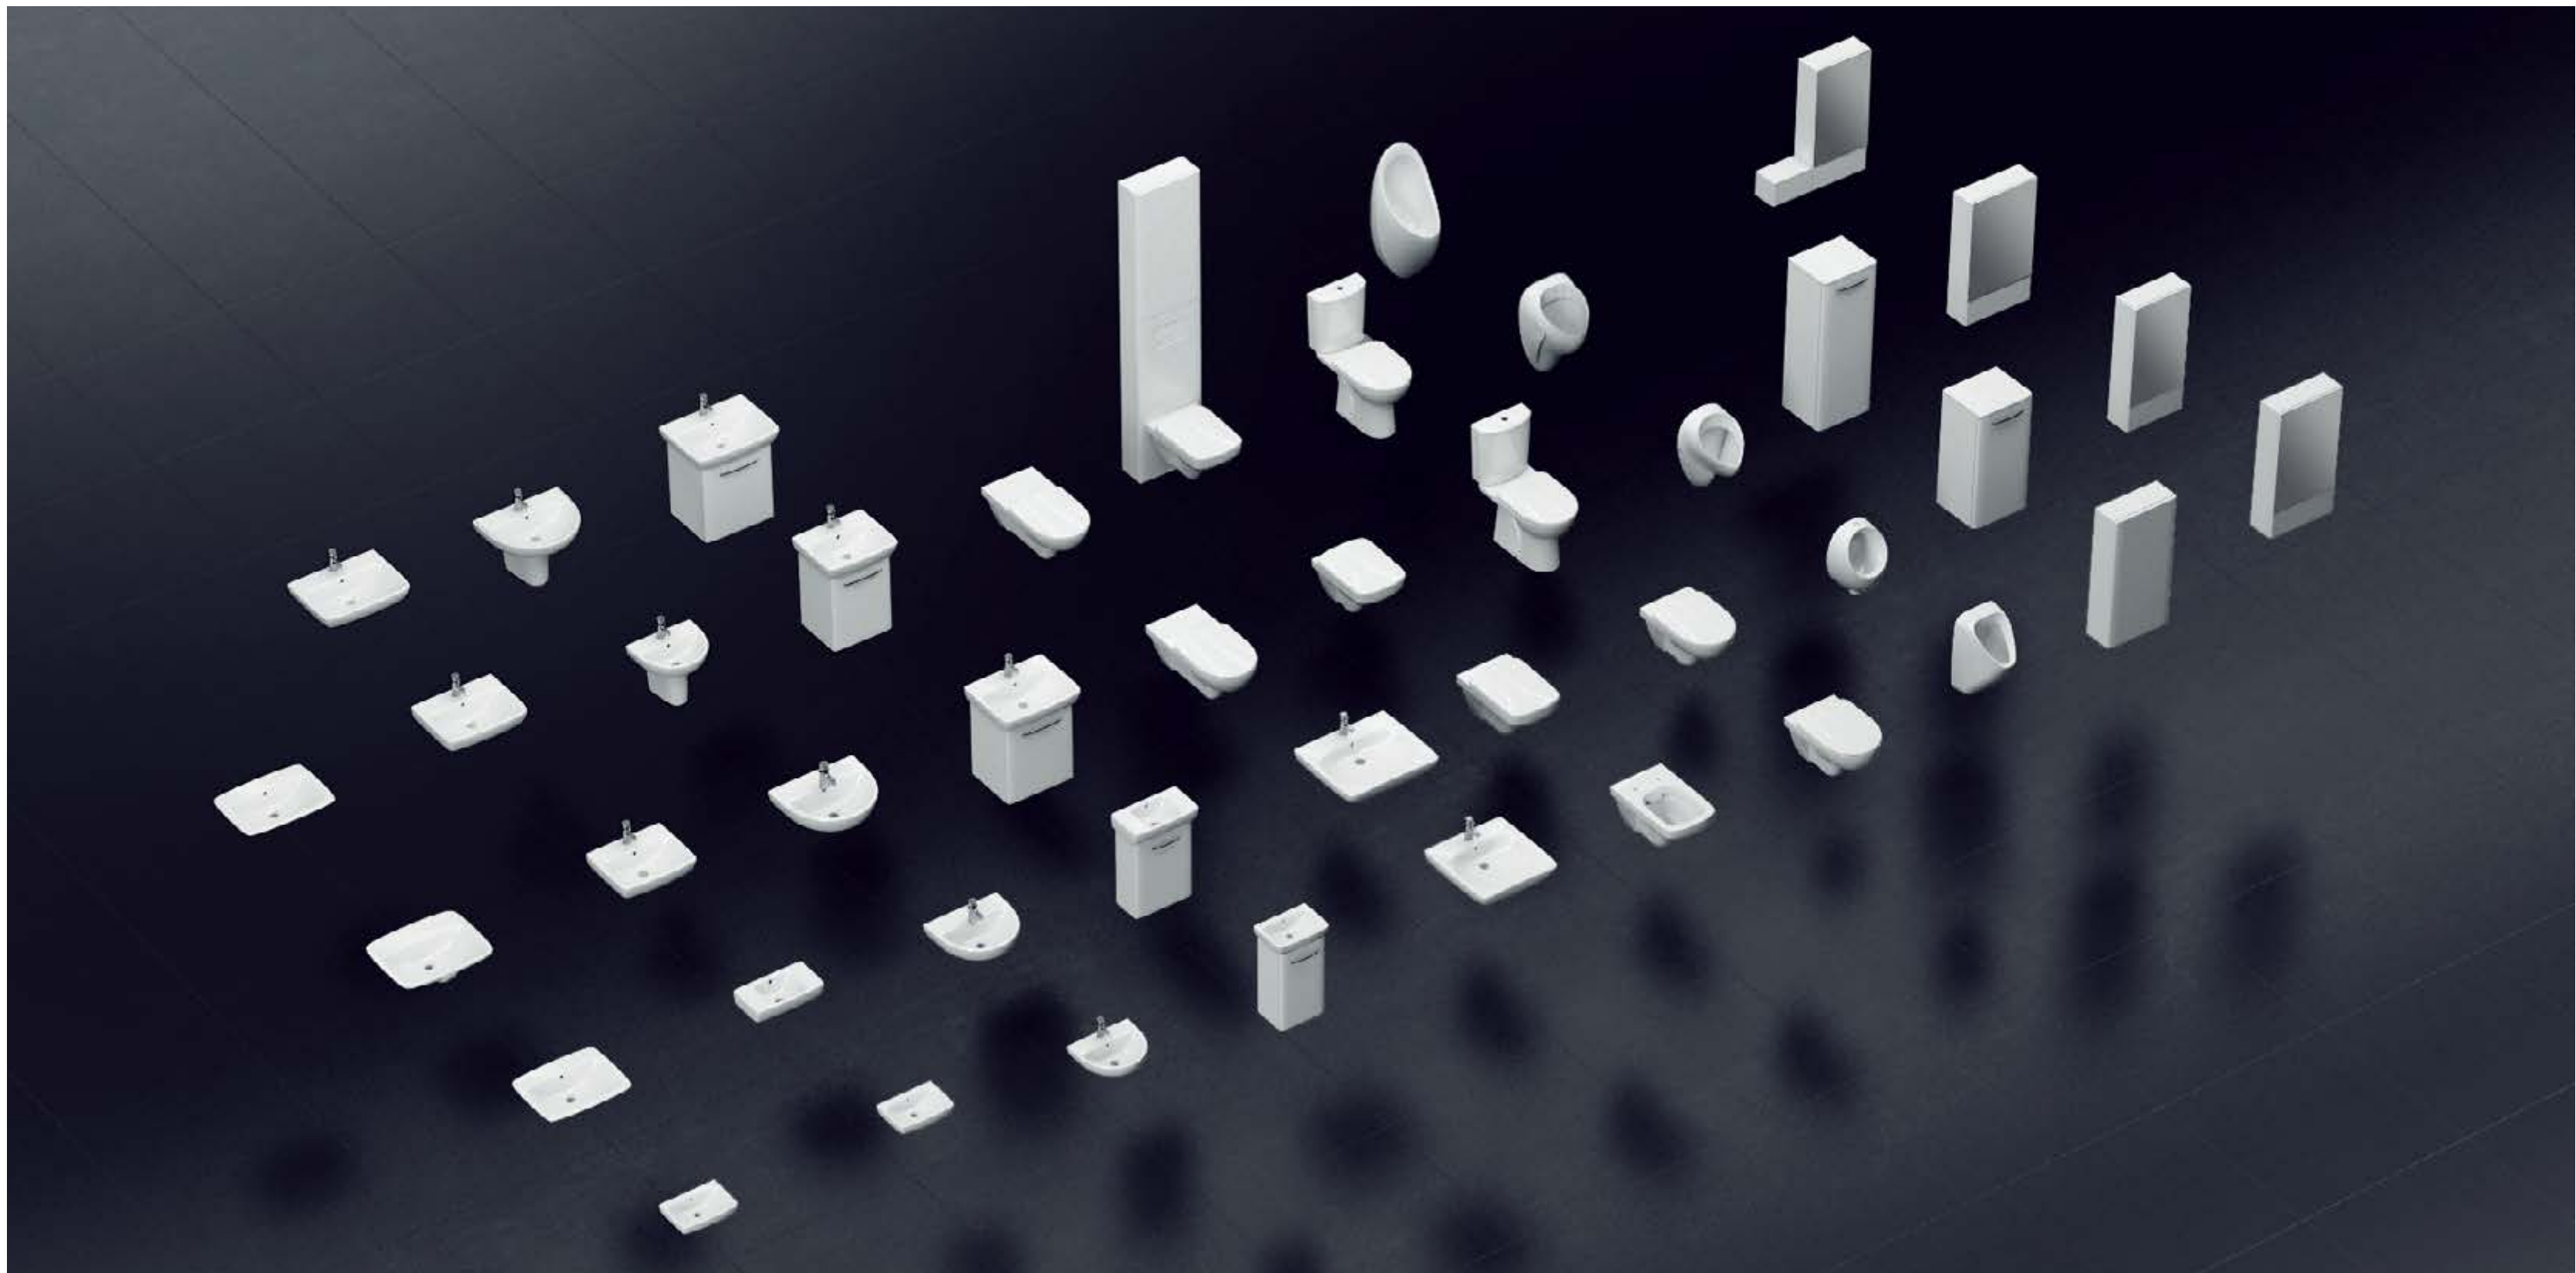

## Chrome metal single handle

nicely matched with the ceramic shape

## Well though cabinet interiors

metal organizer and the shorter shelf inside the cabinet suitable for high bottles. Nothing falls over after closing the cabinet doors.
